CARE & MAINTENANCE

Storage:

Can be stored and transported in their original cartons at ambient temperatures (0°C to + 30°C)
May be stored in the dark for up to 5 years.
Do not store in direct/ high heat or sunlight as this may distort the shell

Lifetime:

The Centurion helmet has an in-use life of up to 5 years.
Excessive wear and tear can considerably reduce the lifespan of the product.

Cleaning:

Cap cover: Wash at 30°C. Do not bleach, Iron, Tumble Dry or Dry Clean.
Cap Shell and Central Pad: To clean the inner shell wipe with clean cloth and warm water.

Disposal:

Recycling is preferred when possible. Look out for the recycling symbol for material category.
