Introduction

Centurion Safety Products Ltd is an ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 registered company registered in the UK (Registration number:13067) with global headquarters in Thetford, England

Our vision is to be the global experts in total head safety at work. We believe protecting the head means every bit of it. Truly integrated head protection demands unrivalled understanding of our end users. We are an independent company who strive to do what is right, not what's easy.

The company's strategy is to focus exclusively on head protection systems (personal protective equipment) for those at work. The design, management, development, and manufacture of all the products sold by Centurion Safety Products Ltd, is carried out in accordance with applicable regulatory requirements including but not limited to, the BSI Kitemark and PPE Regulation 2016/425 or PPE Regulation 2016/425 as amended to apply in GB.

Purpose of this policy

To demonstrate our recognition of responsibilities and obligations, and to declare compliance with a number of requirements and directives relating to hazardous and harmful substances.

Delivering our policy

Evidence of compliance exists within our review of documentation for suppliers and substances and acceptance documentation thereof, and the periodic review of updated substance lists as referenced within this policy

1. RoHS Compliance

Centurion Safety Products Ltd hereby declares that our products are compliant with all requirements and exemption set by the European RoHS 2.0 Directive 2011/65/EU & the European Delegated Directive (EU)2015/863.

2. Halogen-free Compliance

Centurion Safety Products Ltd hereby declares that our products comply with Halogen-free requirements.

3. REACH Compliance

Centurion Safety Products Ltd hereby declares that our products fully comply with the related requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH):

- Under the structure of the REACH regulation, Centurion Safety Products Ltd is a manufacturer of "ARTICLES" to our EU customers (according to ECHA's guidance for articles). We do not manufacture "substances" or "preparations" and our articles do not involve the "intentional release of substances". Accordingly, we foresee no registration or pre-registration or Authorisation requirement for the products we supply.
- Regarding the requirements of Article 33 of REACH: Duty to communicate information on substances in articles - we hereby declare that none of the SVHCs (the Candidate List of Substances of Very High Concern for authorisation as published by ECHA) are present in Centurion's products (and or packaging) in quantities totaling in a concentration equal or above 0.1%.

- Regarding the requirement of Article 67 of REACH: A substance on its own, in a preparation or in an article, for which Annex XVII, contains a restriction shall not be manufactured, placed on the market or used unless it complies with the conditions of that restriction. We declare that none of the substances in the Conditions of restriction are present in our products (and or packaging).
- As REACH regulation is updated frequently, such as the addition of further SVHC substances into Annex XIV and the addition of restricted substances in Annex XVII, we undertake to review and revise this declaration to reflect these changes.

Annex XIV : <https://echa.europa.eu/candidate-list-table>

Annex XVII : <https://echa.europa.eu/substances-restricted-under-reach>
(<http://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX%3A32016R2235>)

4. Compliance to Montreal Protocol (incl. Kigali)

Centurion Safety Products Ltd hereby declare that we do not engage in the production, supply, direct or indirect use and or discharge of controlled substances or any of the isomers of such substances listed in Annexes A, B, C, D, E, and F of the Montreal Protocol including Kigali Amendment (available on request).

In summary, the Controlled Substances are those determined to have Ozone depleting effects including CFC, Halons, HCFC, HBFC, Carbon Tetrachloride, Trichloroethane, Methyl Bromide and Bromochloromethane.

Furthermore, Centurion Safety Products Ltd observes the Kigali Amendment and hereby confirms that use of HFC, HFO, Dichloromethane, and Dichloroethane substances are either zero or negligible and we continue to work towards eliminating the production, use, or discharge of such substances.

5. California Proposition 65 Declaration

Centurion Safety Products Ltd declares that items produced by the company do not contain chemicals which are listed on California's (CA,USA) Safe Drinking Water & Toxic Enforcement Act 1986. This Act, commonly known as Proposition 65, establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The Proposition 65 chemical list can be found at:

[The Proposition 65 List - OEHHA \(ca.gov\)](https://oehha.ca.gov/proposition-65)

Centurion is committed to providing safe, high quality products and has worked with its vendors and its supply chain partners to ensure that products are compliant with the requirements of Proposal 65. Centurion will compare any newly listed chemicals on the Proposal 65 list with the raw materials in our products and undertakes to inform our customers of any change to this declaration.
